International Journal of Hospitality Management. has shown that hygiene, cleanliness, and safety protocols are the most important measures taken by businesses in the hospitality and tourism 5.0 sector. During pandemic times, enhanced hygiene practices such as frequent cleaning, wearing masks, and maintaining social distancing can help prevent the spread of the virus. These measures are essential for maintaining the safety of both customers and employees.

The hospitality industry is competitive, and that rivalry between brands can lead to a compromise of Ethics in the Hospitality Industry – Barbra Dozier's Blog. Industries at a Glance: Leisure and Hospitality. The carbon footprint of global tourism has been a significant concern, and efforts to reduce it are becoming increasingly important. The tourism group fears a new Biden administration requirement for inbound international air travelers to the U.S. could deal a blow to Seattle's tourism industry if it's extended to land borders.
