The smell of lavender at a roadside picnic, waiting for the Tour de France to race past. The Pacific Ocean view from the 10,000-foot summit of Hawaii's Haleakala? volcanic crater (after 5 hours of uphill riding). A fresh Fat Tire ale hitting your lips at the new Belgium brewery in Fort Collins, Colorado. These, and a wide-ranging variety of other experiences, all rooted to a specific location or event, comprise The Cyclist's Bucket List. The book will definitively catalog both the iconic and little known—the accessible and aspirational—sensory and emotional experiences that instill cyclists with a deep passion for the sport. In this book, Ian Dille compiles and showcases the world's quintessential cycling experiences through extensive research and interviews with expert sources, vivid storytelling, stunning photography, and compelling design. The format includes lengthy in-depth descriptions as well as much shorter, easy to consume write-ups, ranging from locations such as Italy and Belgium to Nova Scotia and Texas. The Cyclist's Bucket List will serve as an indispensable, lifelong guide for every cyclist.

Rants from the Hill

A veteran Sue Pethick presents a warm and fuzzy love story about a passionate pet owner, a smitten news man, and an unforgettable dog who steals everybody's hearts... When her cuddly canine companion Boomer is diagnosed with a rare heart condition, Jennifer Westbrook decides to take a leave of absence from her busy PR job—and take Boomer on the greatest road trip of his life. Charting a course from Chicago to California, Jennifer plans some pet-friendly pit stops for her four-legged friend, including a dog show, a fire hydrant museum, and a factory full of squeaky toys. But when she tries to sneak Boomer into a NASCAR press box—disguised as her seeing-eye dog—Jennifer's cover is blown by a curious, but very cute reporter named Nathan Koslow. Boomer takes an instant shine to Nathan, unlike the other men in Jennifer's life. When the charming journalist asks to join them on their journey, she can't say no. But when she learns that someone has created a website called "Boomer's Bucket List"—and it's gone totally viral—the trip takes a wildly unexpected turn for Jennifer, Nathan, and the dog who brought them together. It almost seems as if Boomer's last wish is that his two favorite humans fall madly, deeply, in love... A Rave For Sue Pethick's Pet Friendly "Quirky and endearing... especially when factoring in the hilarious antics of a certain four-legged character. The brewing romance tempers the humor with heart. The plot... delights. This is a light, heartwarming read perfect for a wintry afternoon at home or a sunny beach vacation." — RT Book Reviews, 4 Stars

OVER 250,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will
need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the
domestication of your retirement assets in tax-deferred vehicles like 401(k)s and IRAs. If tax rates go up, how much of your
hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step
roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your
retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax
Cuts and Jobs Act, showing readers how to navigate the new tax law in its first year of being in effect, and how they
can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast
approaching. Are you ready to do what it takes to experience the power of zero?

The Great Global Bucket List

A brilliant new Scandinavian noir series from Sweden introducing Agent John Aderley, already sold in 15 countries.
The Bucket List is the gripping debut novel by writing team Peter Mohlin and Peter Nyström, launching a stunning new Nordic noir series featuring Swedish-American FBI Agent John Aderley. Like the best writers of the genre, such as Henning Mankell and Jo Nesbø, Mohlin & Nyström combine a strong crime story with a novel of psychological richness and depth for an irresistible read. The Bucket List starts when undercover FBI Agent John Aderley wakes up in a hospital bed in Baltimore with extensive gunshot wounds. He knows he's lucky to be alive. And just a few beds away is the man who 24 hours ago pointed a gun to his head. Ten years earlier in Sweden, Emelie, the young heiress to (an H&M-esque) clothing empire Acko has gone missing. When local police find blood and semen in a deserted area, they arrest a teenage boy. He denies the charges and since the body is never found, he can't be prosecuted. Back to the present, Emelie's high-profile cold case file is sent to Agent Aderley, now living in Sweden (where he's not lived since he was a boy) in witness protection, hiding until he can testify against the drug cartel he infiltrated back in the States. A derrery is determined to solve Emelie's case, but, at the same time, he knows that the drug cartel has a price on his head.

The Ultimate Retirement Bucket List

The septuagenarian women of the Summer Ridge Bridge Club have gathered in secret late one July night to check skinny-dipping off their bucket list. But as Francine observes, the jittery members seem more obsessed with body issues and elaborate preparations than actually stripping down and getting in the pool. A pungent smell emanating from the pool shed provides a perfect distraction. When a dead body flops out, it's an answered prayer for Charlotte, since the first item on her list is to solve a murder. Unfortunately for Charlotte and Francine, before they can discover who really killed the man, they must negotiate neighborhood tours of the crime scene, press coverage of their skinny-dipping, an angry homeowners' association, a disastrous appearance on Good Morning America, media offers sought by a hungry publicist, and a clever killer. Praise: "Bubbly characters keep this cozy debut lively as you search through the red herrings for the big fish." — Kirkus Reviews "A well-crafted mystery." — New York Journal of Books "Do yourself a favor and treat yourself to Elizabeth Perona's charming debut, em>Murder on the Bucket List. Things to Do Before You're 30

"Emotional, hilarious, and thought-provoking." — People "Witty, sexy." — Los Angeles Times #1 Cosmopolitan Best New Books of Summer PureWow Best Reads of Summer From the author of the critically acclaimed "lively and engaging parable for women of all generations" (Harper's Bazaar) The Regulars, comes a deeply funny and thoughtful tale of a young woman who embarks on an unforgettable bucket list adventure. Twenty-five-old Lacey Whitman is blinded when she's diagnosed with the BRCA1 gene mutation: the "breast cancer" gene. Her high
hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double
mastectomy. Lacey doesn’t want to lose her breasts. For one, she’s juggling two career paths. Secondly, small-town
Lacey’s not so in touch with her sexuality: she doesn’t want to sacrifice her breasts before she’s had the chance to
give them their hey-day. To help her make her choice, she (and her friends) creates a “boob bucket list”: everything
she wants do with and for her boobs before a possible surgery. This kicks off a year of sensual exploration and
sexual entertainment for the quick-witted Lacey Whitman. The Bucket List cleverly and compassionately explores
Lacey’s relationship to her body and her future. Both are things Lacey thought she could control through hard work
and sacrifice. But the future, it turns out, is more complicated than she could ever imagine. Featuring the pitch-
perfect “compulsively delicious” (Redbook) prose of The Regulars, The Bucket List is perfect for fans of Amy
Poeppl and Sophie Kinsella.

More Than a Bucket List

"If Thoreau drank more whiskey and lived in the desert, he'd write like this."—High Country News Welcome to the land of wildfire, hypothermia, desiccation, and rattlers. The stark and inhospitable high-elevation landscape of Nevada's Great Basin Desert may not be an obvious (or easy) place to settle down, but for self-professed desert rat Michael Branch, it's home. Of course, living in such an unforgiving landscape gives one many things to rant about. Fortunately for us, Branch—humorist, environmentalist, and author of Raising Wild—is a prodigious ranted. From bees hiving in the walls of his house to owls trying to eat his daughters' cat— not to mention his eccentric neighbors—adventure, humor, and irreverence abound on Branch's small slice of the world, which he lovingly calls Ranting Hill.
